

DISASTER RECOVERY PROGRAM

The Disaster Recovery Program provides response coordination and short-term and long-term recovery services to individuals and families dealing with the aftermath of natural disasters like hurricanes, floods and other catastrophes. No matter what storm comes our way, Catholic Charities will be here for the long term to help our community rebuild and recover.

SERVICES

After a natural disaster, free disaster recovery assistance may include:

- Help with client referrals to any available resources.
- Help determine client eligibility for possible funding.
- Help plan, coordinate, and evaluate client needs.
- Help client's gain self-sufficiency that maintains client's human dignity.

Professional counseling services to help you manage stress and cope with change, such as:

- Crisis Counseling for family members in emotional distress after being displaced out of their home after the storm.
- Job loss
- Tips for healthy coping
- Information on how to recognize distress and its effects on individuals and families.
- Marital conflicts

Disaster recovery services, including short and long-term recovery assistance through the assistance of a case manager, are activated as needed and if resources are available. Individual and company donations are accepted to support disaster recovery activities as funds come from different sources with each disaster.
