

#kindness for all

Catholic Charities of the Archdiocese of Galveston-Houston is excited to invite your parish to join in a campaign of kindness – something we could surely use more of in our day-to-day lives.

The #KindnessForAll project is inspired by Scripture. It reminds us that we will always have the poor and stranger among us, and, as people of faith, we are called to serve and to love our neighbor.

Our plan is to spread kindness through household supply drives at our office sites and local parishes around Greater Houston. These supplies will support Catholic Charities clients as they start fresh in new homes. Thank you for giving prayerful consideration to this opportunity for kindness.
